

ARRAN

SENSE *of* SCOTLAND

Job Vacancy

Assistant Line Technician

ARRAN Sense of Scotland is a luxury bath, body & fragrance brand that has been manufacturing and retailing its products across the UK & internationally for over 3 decades

All our premium personal care & fragrance products are produced at our manufacturing site at Home Farm in Brodick.

Management is looking to supplement our strong core team at the Home Farm facility to support the future growth ambitions of the business as we look to treble in size over the next 5 years. This has created the opportunity for 2 Assistant Line Technician roles reporting to the Production Manager based at Home Farm.

This is a hugely varied & rewarding role, learning and operating across our various production lines manufacturing all products from soap to candles.

The successful candidate should be a confident team player, with good attention to detail and passion for producing quality dependable work.

Previous experience of working in a manufacturing environment would be advantageous but not essential as full training will be provided by our highly experienced team.

We operate a 4-day working week Monday to Thursday. Working hours are 7:00am-5:30pm but flexible arrangements may be available.

Employee benefits include;

- Enrolment in our company Health Plan,
- Enrolment into our company Pension Scheme
- 'Friends & Family' staff discount in store & online
- An "Unspoil yourself" day from the company
- An extra "Enjoy your Birthday" day off

Successful candidates will start on a competitive hourly rate of £12.13.

This is an exciting time to be joining our team as the business continues to deliver on its 5-year growth ambition. With this will come the opportunity for further progression and promotion in the future.

To apply - please email your letter of application and CV to

Sarah McDowall, Production Manager at sarah.mcdowall@arran.com
