

## **Job Vacancy – Quality & Technical Assistant Maternity Cover**

Arran Sense of Scotland are looking for a person to cover a maternity period in our Quality & Technical department.

40 hours per week, shift pattern is flexible, can either be 8am - 4:30pm Monday to Friday, or 7am - 5:30pm Monday to Thursday.

The applicant should be organised, methodical, have good communication skills, confident on a computer, proficient in Microsoft office, and have good attention to detail.

This is a hands-on role based at our Home Farm site in Brodick. It will include work in our production areas, laboratory, as well as administrative duties.

All training will be provided, although relevant laboratory experience would be highly beneficial.

Further job details can be sent out on application if required.

Candidate must be available to start early June.
